

AGENCY FACT SHEET

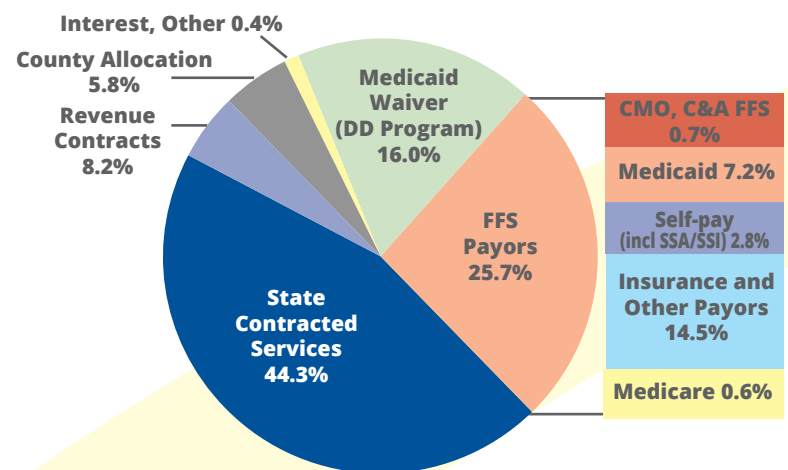

Who We Are

DeKalb Community Service Board (CSB) is DeKalb County's public nonprofit provider of community-based mental health, addiction and developmental disabilities services. With over 20 locations, DeKalb CSB provides quality, person-centered services with a focus on recovery and helping clients achieve their fullest participation within the community. DeKalb CSB has served the citizens of DeKalb County and metropolitan Atlanta since 1994. Our agency is accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF). Visit us online at www.dekcsb.org.

FY2016 Sources of Revenue

DeKalb CSB charges for services based on income and family size, utilizing a sliding-fee scale for eligible clients. Revenues for fiscal year 2016 totaled \$34.3 million. In addition to fee revenue, the agency receives funding from DeKalb County and the Georgia Department of Behavioral Health and Developmental Disabilities.

Staffing

More than 500 dedicated and qualified staff represent DeKalb CSB including psychiatrists, clinical nurse specialists, registered nurses, licensed clinical social workers, case managers, licensed professional counselors, certified peer specialists, behavioral specialists, para-professionals and administrative support staff.

Governing Board

The members of the DeKalb CSB's Board are appointed by the DeKalb County Board of Commissioners to fulfill our mission of providing the right service to the right person at the right time. Each board member is a DeKalb County resident who provides a unique perspective on mental health, developmental disabilities, and addiction diseases.

PROGRAMS & SERVICES

DeKalb Community Service Board is a public, nonprofit treatment provider of community-based behavioral health and developmental disability services located in DeKalb County, Georgia. We strive to provide the highest quality, evidence-based mental health, substance abuse and developmental disability services to more than 11,000 people annually.

Our medical, clinical and support staff is dedicated to making brighter tomorrows for our clients and their families by helping them to recover from these debilitating disabilities and resume productive lives. Together, we envision a community in which disabilities no longer limit potential.
