

## How to Help the DeKalb Community Service Board

DeKalb CSB is a public nonprofit provider of community-based behavioral healthcare and developmental disability services. We enrich the lives of DeKalb residents by offering a full range of services for mental health, substance abuse and developmental disabilities. We envision a community in which disabilities no longer limit potential.

### Current Volunteer Opportunities

**WALK OF HEROES 5K** (Held September 20, 2014) - sponsors, donors, volunteers, & team captains  
**Group Service Projects** (ongoing) - landscaping, planting, painting, repairs, and special projects
